Phoenix Alumni Chapter 12

Chapter Advisor

Dear Brothers,

This is a letter of support and recommendation for the Beta Phi colony to become a chartered active chapter. These are a group of quality men and are well deserving of this honor. They have put the time and effort into becoming a force on the U of A campus. They live up to the obligations of being a Sigma Chi chapter and hold the rules, moral obligations that they have come to believe as their standard.

We have put a lot of time and effort into creating a quality and model chapter. The alumni's have done a great job in molding the undergrads to hold the standards we hold in high regard.

We have a strong support system and a strong and thriving undergraduate chapter that's future looks bright. I believe that they are deserving and a great asset to Sigma Chi Family.

Grand Praetor

Kai,

I fully support the Installation of the Sigma Chi Colony at the University of Arizona. I think the colony has done exceedingly well in academics, recruitment, social service, and campus involvement. I and all of us here in the Southwestern Province look forward to the return of the Beta Phi Chapter.

fraternally yours,
William M Scott
Grand Praetor
Southwestern Province

Embry-Riddle

To whom it may concern,

The Sigma Chi Beta Phi Colony at The University of Arizona has Kappa Phi's full support in becoming a chapter of Sigma Chi. They have quickly grown and have completed requirements in a timely fashion. Upon them receiving their charter, every school in the Southwest Province with Greek life will have a Sigma Chi Chapter.

The Beta Phi Chapter has a very long and positive history, including many Peterson Significant Chapter Awards down the line. I believe that if they were to come back, they would continue this tradition of excellence.

In Hoc,
Philip Hakeem
Consul-Kappa Phi

Dear Kai Kaapro:

The Sigma Chi Epsilon Upsilon Chapter of Arizona State fully supports the installation of the Beta Phi Chapter. Our chapter helped recruit for the Beta Phi Colony and know them to be worthy to become brothers of Sigma Chi. We are more than willing to help with the installation in any manner possible. In Hoc Signo Vinces,

Daniel Heidinger
Epsilon Upsilon Chapter President

New Mexico State

On behalf of the men of the Zeta Phi chapter at New Mexico State University, we formally extend our support to the initiation of the Beta Phi chapter, Congratulations!

Trenton Guthrie

Consul

Zeta Phi

Northern Arizona University

To Whom It May Concern,

On behalf of the Zeta Omicron Chapter of Sigma Chi at Northern Arizona University it is my pleasure to recommend the Beta Phi colony to be installed as a chapter of Sigma Chi. The colony has showed our chapter that they are extremely committed to the values of the Sigma Chi Fraternity and that they will give back to the fraternity as well. I hope that the Executive Committee of the Sigma Chi Fraternity will also see what the brothers of the Zeta Omicron Chapter have seen of the men at the Beta Phi Colony. If you have any further questions please feel free to contact Mark Psenak at mdp54@nau.edu or call me at 928.814.4765.

University of New Mexico

November 19, 2008

Brothers of the New Chapter Development Committee and the Executive Committee,

As the newest chapter of Sigma Chi in the Southwest province, we can fully appreciate the work of the men of Sigma Chi Beta Phi to return the Beta Phi charter to their campus. Furthermore, it is evident how quickly they have grown from a Sigma Chi interest group to a local colony ready for installation. It is the feeling of this chapter that this spirit of excellence will continue after their installation.

That being the case, the men of the Beta Xi Chapter at the University of New Mexico throw our full and enthusiastic support behind the initiation and installation of the men of Sigma Chi Beta Phi colony as the Beta Phi chapter of Sigma Chi. This will not only be a benefit to their university campus and its students but also to our province, as this installation will bring about a situation unrealized for more than 20 years – that all charters granted by the fraternity in the Southwest would be active and thriving at all seven campuses across Arizona and New Mexico.

Re: Letter of Support
Beta Phi Sigma Chi Colony

Dear Jordan,

It is with the utmost of pleasure that I am writing this letter of support for the the Sigma Chi Beta Phi Colony at the University of Arizona.

These young men have work tirelessly since the Fall of 2007 to reach their present level of success at the U of A. There is strong leadership in place and the Chapter has excellent growth and success potential.

As you are aware, the Sigma Chi Building Company is currently engaged in a capital campaign to build new Chapter housing at the University of Arizona. Our success to date has greatly been enhanced by the quality of young undergraduate and their interaction with our alumni members. The rich history of the Beta Phi Chapter is once again being written by young men who exemplify the White Cross and the Spirit of Sigma Chi.

I recommend your consideration and approval to grant them status as a recognized Chapter of the General Fraternity.

Dear Members of the NCDC,

My name is Zachary Nicolazzo, and I am a Coordinator for Fraternity & Sorority Programs at The University of Arizona. It is with great pleasure that I write to you today on behalf of the Sigma Chi – Beta Phi Colony on our campus. This colony has made great strides to expand, and has achieved great success thus far as well as garnering a terrific amount of support, both from local and national alumni as well as from those on campus.

At this point, I am glad to report the Sigma Chi – Beta Phi Colony is in good standing with both the Interfraternity Council (IFC) and the Fraternity & Sorority Programs office at The University of Arizona. In fact, the brothers of the colony are working on their final presentation to the IFC, after which the Council members will vote on whether or not to grant the colony full membership into group. I foresee no challenges with the colony being able to do this successfully, and am anticipating a unanimous affirmative vote from the IFC membership.

In addition, I am glad to share that the Fraternity & Sorority Programs office, as well as our campus partners and colleagues, are excited about the potential of the Sigma Chi – Beta Phi Colony being installed in March 2009. We are eager for them to become a part of our community and be granted chapter status, as they have excelled and truly been upstanding leaders in the fraternity and sorority community thus far as a colony. I have no doubt the group will continue to head in the right direction once installed as a chapter, and will become a new leader for our community, setting a great example by which other chapters should follow.

Thank you for allowing me the opportunity to extol the virtues of the Sigma Chi – Beta Phi Colony. The colony is comprised of a positive and committed group of men who have already made a great impact on our fraternity and sorority community, not to mention the campus at large. I am glad to share our positive endorsement of them coming back to campus and am looking forward to seeing their success continue long into the future on our campus. Should there be any questions or concerns you have, please do not hesitate to be in touch with me via phone (520.621.8046) or email (zachary.nicolazzo@arizona.edu).

Fratemally,

Zachary D. Nicolazzo
Coordinator, Fraternity & Sorority Programs

December 15, 2008

Executive Committee
Sigma Chi Fraternity
1714 Hinman Avenue
Evanston, IL 60204-0469

Dear Brothers:

The Phoenix Alumni Chapter of Sigma Chi Fraternity vigorously supports and endorses the Sigma Chi Beta Phi Colony and look forward to the re-installation of Beta Phi Chapter at the University of Arizona.

Members of the colony have regularly attended our alumni chapter meetings and functions and appear to exemplify quite strongly the qualities that our Founder, Isaac M. Jordan, established for membership in our order.

We stand with many Sigma Chi in this state as well as internationally who are greatly welcoming and anticipating the re-establishment of the White Cross on the Arizona campus.

With warmest fraternal regards,

IHSV,
