

## *Beta Phi Chapter of Sigma Chi Fraternity*

### [The Sigma Chi Alumnus Member Experience](#)

*Sigma Chi* is not over when a man receives his degree; the experience continues throughout his life. There are currently over 120 Sigma Chi alumni chapters throughout the United States and Canada. Luncheons, dinners, golf tournaments, family picnics, sporting events, alumni gatherings, community service---these are all part of the post-graduate Sigma Chi experience. It is impossible for a Sigma Chi to forget good friends no matter the distance; it is impossible for a Sigma Chi to forget the fun, no matter how long ago; it is impossible for a Sigma Chi to forget the moment the White Cross was pinned on him.

It is, of course, reasonable to ask if all fraternities offer the identical benefits of Sigma Chi and it is reasonable to assume that many do. But when one looks at the number of Sigma Chi alumni chapters as compared to the number of other fraternities' alumni groups, when one acknowledges the prestige of Sigma Chi throughout the world, and when one looks at the prominent men who are members of Sigma Chi, it is reasonable to conclude that Sigma Chi probably has "something special" which the others may not have. It has been said that there are many men who belong to other fraternities who wished they were Sigma Chis; but there are few, if any, Sigma Chis who wished they had joined any other fraternity!

Sigma Chi alumni help their undergraduate brothers in many ways: by giving monetarily back to their chapters, by becoming a members of the chapter's House Corporation, by volunteering to be Advisors and Mentors in various capacities, by being active in a chapter near them, by returning to initiations and welcoming new members, by visiting chapters near them and showing interest. Sigma Chi International Fraternity recognizes alumni who have been successful in their chosen walks of life; they are designated as [Significant Sigs](#). Sigma Chi International Fraternity also recognizes those Brothers who have made significant contributions through their time and effort to the Fraternity; they are designated as members of the [Order of Constantine](#). The Beta Phi Chapter has recognized those Brothers who have made a significant impact on the Beta Phi Chapter and Brought Honor and Distinction upon themselves and the Chapter; they are designated and elected in the [Beta Phi Hall of Honor](#).
